

Camp Canadensis Seeks Roller / Floor Hockey Specialist

Camp Canadensis (www.canadensis.com) is looking for an enthusiastic and experienced individual to work as a Roller / Floor Hockey Specialist.

This summer, get paid to be a MATURE GOOFBALL! Join our team of motivated staff and enjoy the perfect balance of work and fun. Dates: June 20 - August 15, 2025.

Located in the Pocono Mountains of PA, we are a co-ed sleep away camp for kids ages 7 to 16. You would live at camp for the summer as part of this experience.

During the activity day, Athletic Specialists are at their areas of expertise, instructing, coaching and officiating to a wide range of campers. When not at their areas, they are scheduled back with their respective bunk of campers.

There is scheduled time off each day as well as days and nights off throughout the course of the summer.

A job description follows on page two.

Camp Canadensis Hockey Specialist Job Description

Responsibility Overview

Help plan, instruct, coach, and referee 40-minute Floor Hockey periods that are safe, fun, and have value.

Supervision

- I supervise the campers
- The Athletic Director(s) supervises me

Specialist Responsibilities

- (1) Teach Floor Hockey skills during Clinic Periods, including fundamentals (puck handling, shooting, passing) techniques, rules of the game, and game play scenarios.
- (2) Referee/Coach and facilitate Divisional League games; these games are opportunities to continue with the instruction from Clinic Periods.
- (3) Provide differentiated instruction and skill development in either Roller or Floor Hockey during Elective Periods.
- (4) Referee/Coach and facilitate Super League games, which provide more competitive opportunities for campers. Make sure all campers are receiving fair playing time.
- (5) Referee/Coach Intercamp games against other camps in either Roller or Floor Hockey. Represent Camp Canadensis' values while out of camp. Make sure all campers are receiving fair playing time.
- (6) Be organized, prepared, and ready with daily lesson plans before the activity day begins.
- (7) Find ways to include scheduled General Bunk Counselors into the activity plans.
- (8) Ensure that equipment and courts are safe for play. Report any issues to supervisors. Make sure camp hockey equipment closet is locked when not in use. Ensure that campers' personal equipment is neatly stored in cubby areas.

**When not at my specialty area, I will responsible for following my In-Bunk responsibilities. See In-Bunk Responsibilities Job Description for more details.*
