

TPH Kansas City job posting

Head of Hockey & Mentorship

At TPH, our purpose is to lead the world in the holistic development of student-athletes, advancing – in and beyond the game – the next generation of impact players. We are an academy-style athletics program that enables the opportunity to develop athletics, academics, and character while helping student-athletes achieve their long term athletic goals.

TPH and its Kansas City-based Academy facility partner, the [Advent Health Sports Park at Bluhawk](#), have teamed up to identify a passionate, knowledgeable hockey professional to spearhead all-things player development, on-ice curriculum, programming innovation, and most importantly, student-athlete mentorship.

This unique opportunity combines hockey instruction and mentorship at TPH Academy with the chance to cross over and support Bluhawk's Director of Ice Operations with programming inside their world-class 420,000 square foot indoor sports and entertainment complex.
