

IPH HOCKEY: Adding To Our Staff

We are a team of passionate, experienced coaches dedicated to growing the game of hockey in Connecticut. Since 2002, we have provided our players with the highest level of skill development based on a single philosophy: Love the Game.

We run a private lesson facility in Connecticut and also run lessons and clinics throughout the state.

We are hiring someone who can share their passion for hockey with players of all ages in private lesson and clinic settings. If you don't have fun on the ice, this is not the right fit for you. This is an excellent entry level position for a coaching career in prep or college hockey.

Qualifications/Responsibilities:

- Ability to connect with kids
- High energy, optimistic attitude
- Develop positive relationships with players and parents
- Ability to create practice plans - the more creative, the better
- Available early mornings, weekends and evenings
- Authorized to work in the US
- Background check will be required

- Compensation is between \$60k-\$70k a year.
- Commitment is roughly between 24-27 hours a week on the ice during the year and a little more in the summer/busier times. Plus additional admin type duties.
- Additional \$40/hour after coaches work 117 hours a month and we also have opportunities to use the rink that we own for additional programming that coaches can run to earn more if they wanted just with a couple stipulations.
- Health care and retirement option.
