

IPH Hockey – Job Opportunity

We are a team of passionate, experienced coaches dedicated to growing the game of hockey in Connecticut.

Since 2002, we have provided our players with the highest level of skill development based on a single philosophy: Love the Game.

We run a private lesson facility in Connecticut and also run lessons and clinics throughout the state.

We are hiring someone who can share their passion for hockey with players of all ages in private lesson and clinic settings.

Qualifications/Responsibilities:

- Ability to connect with kids
- High energy, optimistic attitude
- Develop positive relationships with players and parents
- Ability to create practice plans - the more creative, the better
- Available early mornings, weekends and evenings, summer daytimes and school holiday daytimes
- Authorized to work in the US
- Background check will be required
- Admin duties and facility work also required-
- **Compensation between \$60,000 and \$65,000**
- Commitment is roughly between 24-30 hours a week on the ice during the year and a little more in the summer/busier times. Plus additional admin type duties.
- Retirement option.
