

Milton Academy- Assistant Coach- Boys' JV Hockey

Milton Academy is in search of an Assistant Boys' Junior Varsity Hockey Coach for the 2025-2026 season. The assistant coach will help with all aspects of the boys' JV hockey program at Milton Academy. There is also potential to assist in coaching the Boys' Varsity team when time permits if interested. Must have afternoon, evening, and weekend availability because practices and games (for both JV and Varsity) typically occur in the afternoon or evening hours Monday-Friday along with games during the day on Saturday.

.

Responsibilities

- Assist in organizing and running team practices with student-athlete enjoyment and development as the highest priorities.
- Help to manage the bench during games.
- Ride team bus to and from away games.

Qualifications and Skills:

- Previous playing and/or coaching experience.
- Good work ethic, organizational skills, and positive attitude.
- Extensive knowledge of the sport of ice hockey and player development.

Physical Demands:

- Occasional lifting, bending, and climbing stairs.
- Frequent talking, listening, walking, sitting, and standing.
- Ability to perform multiple concurrent tasks and function in a fast-paced working environment.

Work Environment:

- The Athletics Department is a busy work environment in which there is a significant amount of personal interaction.
- The coach must be flexible, enthusiastic, hard-working, and responsible.
- Must have a valid driver's license.
- The Academy is a non-smoking campus.
