

American Hockey Academy – Coaching Opportunity

American Hockey Academy is one of the premier **AAA academy hockey programs** in the United States, fielding teams at the **U15, U16, and U18** levels. Located just **20 minutes south of Boston**, our program is part of a **traditional New England prep school**, not an online model — offering players a full academic and athletic experience on a beautiful brick-and-mortar campus.

We are currently seeking a **seasoned, experienced, and motivated coach** to join our staff. The ideal candidate will have a proven track record of **developing, inspiring, and leading young men** — both on and off the ice. Most players are **boarding students**, so strong mentorship and leadership skills are essential.

Qualifications:

- Minimum of **several years coaching experience** at the **high school, junior, or higher** level
- Ability to work **midday on weekdays** and **both days on weekends**
- Strong communication and organizational skills
- Passion for teaching the game the right way, emphasizing skill, discipline, and character

Details:

- **Minimal travel** with limited overnight stays
- **Competitive pay** for a high school–age team, **based on experience**
- **Additional earning opportunities** available within our parent organization, the **Boston Jr. Terriers**
